The revised Seller's Disclosure Notice

- Removes some line items in Section 3 referring to flood issues and references them in the new section about flooding. The line item previously called "Water Penetration" now reads "Water Damage Not Due to a Flood Event"
- A new Section 5 is added concerning all things flood.
- o Present flood insurance coverage
- o Previous flooding due to a reservoir, emergency, or controlled release of water
- o Previous flooding due to a natural flood event
- o Previous water penetration into a structure due to a natural flood event
- o Located wholly or partly in 100 year floodplain
- o Located wholly or partly in 500 year floodplain
- o Located wholly or partly in a floodway
- o Located wholly or partly in a flood pool
- o Located whole or partly in a reservoir
- Explanations concerning the flood conditions are offered. TXR Form 1414 is required to be attached to the disclosure with some conditions.
- A new Section 6 has been added about filing any claims (ever) for flood insurance coverage.
- A new Section 7 has been added about financial assistance from FEMA or SBA
- Previous Sections 5-11 are renumbered.
- The previous Section 9 is renumbered Section 12 and adds a phrase "other than flood damage" to whether any insurance claim has ever been filed for damage.

See the changes on the form below in red.

^{*}Information above was provided by Nancy Herzig. Nancy has been an instructor for HAR since 2009 with an emphasis on teaching contracts and related courses. She is the author of the award winning HAR Contract Pro series certification training program by Texas Realtors in the category of Contracts and Compliance. Nancy is very active in the real estate community and serves on several committees at the local and state level.

	Present flood insurance coverage (if yes, attach TXR 1414).
	Previous flooding due to a failure or breach of a reservoir or a controlled or emergency release water from a reservoir.
	Previous flooding due to a natural flood event (if yes, attach TXR 1414).
	Previous water penetration into a structure on the Property due to a natural flood event (if yes, attactive TXR 1414).
<u> </u>	Located wholly partly in a 100-year floodplain (Special Flood Hazard Area-Zone A, V, A99, A AO, AH, VE, or AR) (if yes, attach TXR 1414).
	Located ☐ wholly ☐ partly in a 500-year floodplain (Moderate Flood Hazard Area-Zone X (shaded)).
	Located ☐ wholly ☐ partly in a floodway (if yes, attach TXR 1414).
	Located wholly partly in a flood pool.
	Located wholly partly in a reservoir.
If the a	nswer to any of the above is yes, explain (attach additional sheets as necessary):
<u>*Fo</u>	or purposes of this notice:
	0-year floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a special flood hazard are ch is designated as Zone A, V, A99, AE, AO, AH, VE, or AR on the map; (B) has a one percent annual chance of floodir
	ch is considered to be a high risk of flooding; and (C) may include a regulatory floodway, flood pool, or reservoir.
area	D-year floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a moderate flood haza a, which is designated on the map as Zone X (shaded); and (B) has a two-tenths of one percent annual chance of flooding the is considered to be a moderate risk of flooding.
	od pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the reservoir and that ject to controlled inundation under the management of the United States Army Corps of Engineers.
	od insurance rate map" means the most recent flood hazard map published by the Federal Emergency Management Agen er the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.).

(TXR-1406) 0<u>92</u>-01-<u>1819</u> Initialed by: Buyer: _____, and Seller: _____, ____ Page 3 of <u>57</u>

a riv	odway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of er or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as
	0-year flood, without cumulatively increasing the water surface elevation more than a designated height.
	servoir" means a water impoundment project operated by the United States Army Corps of Engineers that is intended to retain er or delay the runoff of water in a designated surface area of land.
	1 6. Have you (Seller) ever filed a claim for flood damage to the Property with any insurance
	er, including the National Flood Insurance Program (NFIP)?* \Box yes \Box no If yes, explain (attach
	nal sheets as necessary):
	nes in high risk flood zones with mortgages from federally regulated or insured lenders are required to have flood insurance. The when not required, the Federal Emergency Management Agency (FEMA) encourages homeowners in high risk, moderate
	and low risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the
struc	<u>cture(s).</u>
	1 7. Have you (Seller) ever received assistance from FEMA or the U.S. Small Business
	stration (SBA) for flood damage to the Property? yes no If yes, explain (attach additional
sheets	as necessary):
2 4	
	n <u>58</u> . Are you (Seller) aware of any of the following? (Mark Yes (Y) if you are aware. Mark No (N) are not aware.)
ii you a	ile liot aware.)
Y N	Room additions, structural modifications, or other alterations or repairs made without necessary
	permits, with unresolved permits, or not in compliance with building codes in effect at the time.
	Homeowners' associations or maintenance fees or assessments. If yes, complete the following: Name of association:
	Manager's name: Phone:
	Manager's name: Phone: and are: □ mandatory □ voluntary
	Any unpaid fees or assessment for the Property? U yes (\$) U no
	If the Property is in more than one association, provide information about the other associations
	below or attach information to this notice.
	Any common area (facilities such as pools, tennis courts, walkways, or other) co-owned in undivided
	interest with others. If yes, complete the following: Any optional user fees for common facilities charged? □ yes □ no If yes, describe:
	Any optional user lees for common facilities charged: • yes • no if yes, describe.
	Any notices of violations of deed restrictions or governmental ordinances affecting the condition or
	use of the Property.
	Any lawsuits or other legal proceedings directly or indirectly affecting the Property. (Includes, but is
	not limited to: divorce, foreclosure, heirship, bankruptcy, and taxes.)
	Any death on the Property except for those deaths caused by: natural causes, suicide, or accident
	unrelated to the condition of the Property.
	Any condition on the Property which materially affects the health or safety of an individual.
	Any repairs or treatments, other than routine maintenance, made to the Property to remediate environmental hazards such as asbestos, radon, lead-based paint, urea-formaldehyde, or mold.
	If yes, attach any certificates or other documentation identifying the extent of the
	remediation (for example, certificate of mold remediation or other remediation).
	Any rainwater harvesting system located on the Property that is larger than 500 gallons and that uses
	a public water supply as an auxiliary water source.
